Comments:

Signed _____ Date _____

The Nominating Committee will review all referrals and will contact those required to complete the Candidate Profile and Declaration. All referrals will be advised of their status.

Duties and objects of the association

4.1 (1) It is the duty of the association

- (a) to uphold and protect the public interest respecting the practice of professional engineering and the practice of professional geoscience,
- (b) to exercise its powers and functions, and perform its duties, under this Act, and
- (c) to enforce this Act.

(2) The association has the following objects:

- (a) subject to subsection (1), to uphold and protect the interests of its members and licensees;
- (b) to establish, maintain and enforce standards for the qualifications and practice of its members and licensees;
- (c) to promote the professions of professional engineering and professional geoscience.

from Engineers and Geoscientists Act, [RSBC 1996] Chapter 116 as amended to October 2009
