

The Association of
PROFESSIONAL ENGINEERS AND GEOSCIENTISTS
of the Province of British Columbia

LIMITED LICENCE

Charles Dennis Brown has signed an undertaking and is therefore authorized to engage in the practice of Professional Engineering in the Province of British Columbia, within the limited scope as specified hereunder:

Report on or carry out the location, design and supervision of the construction of forest roads and forest road drainage structures including "simple crossings"* with the use of design aid for superstructures, substructures and bearing pressure determinations.

** simple crossing as defined by paragraph 3 (pages 3-5) of the Memorandum of Agreement on Forests Road Crossings, between the Association of BC Forest Professionals and the Association of Professional Engineers and Geoscientists of BC, dated March 31, 2005.*

This scope of practice excludes:

- i. Carrying out Terrain Stability Assessments**

- ii. Designing complex bridges or major culverts as defined by the Memorandum of Agreement on Forests Road Crossings, between the Association of BC Forest Professionals and the Association of Professional Engineers and Geoscientists of BC, dated March 31, 2005.**
