

The Association of
PROFESSIONAL ENGINEERS AND GEOSCIENTISTS
of the Province of British Columbia

LIMITED LICENCE

Gerald Farrell has signed an undertaking and is therefore authorized to engage in the practice of Professional Engineering in the Province of British Columbia, within the limited scope as specified hereunder:

Design and Contract Administration for the installation of mechanical systems in educational, commercial and residential buildings.

Limitations:

Buildings under this Limited Licence are limited to Group A Divisions 1 and 2, Group C, D and E buildings as defined in the BC Building Code and City of Vancouver Building By-Law. Individual projects must involve no more than 1,500 m² for gross floor area of renovation and new building design.

Mechanical Systems are limited to those items on the Schedule B-2 Letter of Assurance under Mechanical (HVAC Systems), Plumbing (except medical gases) and Fire Suppression Systems headings.
