

The Association of
PROFESSIONAL ENGINEERS AND GEOSCIENTISTS
of the Province of British Columbia

LIMITED LICENCE

Herbert Terrance Moon has signed an undertaking and is therefore authorized to engage in the practice of Professional Engineering within the Province of British Columbia, within the limited scope as specified hereunder:

Perform mechanical engineering system design and select mechanical components in the pulp and paper industry.

The Limited Licence includes the design of mechanical systems for the pulp and paper industry and the selection of mechanical components for these systems. The mechanical components include: pumps, filters, piping, tanks, kilns, water treatment equipment, wastewater treatment equipment and steam distribution piping.

The Limited Licence does not include the following:

Design of pressure vessels, boilers, hydraulic systems, heat exchangers, steam turbines or generators.
