

BACHELOR OF TECHNOLOGY IN ELECTRONICS

BCIT's program provides you with a path to registration as a professional engineer, and it allows you to continue working while earning a degree.

GET YOUR ELECTRONICS DEGREE, PART-TIME

Develop strong analytical foundations in mathematics, physics and engineering science. Gain skills for designing electrical, automation, communications and power systems. Classes are held year-round with three terms per year in the evenings, weekends, or in intensive summer sessions.

For more information, call 604.451.6892 or email kelly_voros@bcit.ca
