

DESIGNATED STRUCTURAL ENGINEER PROGRAM

CONTINUING PROFESSIONAL DEVELOPMENT REPORT

Name: _____

The Struct.Eng. Designation Continuing Professional Development (CPD) Program requires reporting of the following information. To maintain Struct.Eng. status, an applicant must either show that she/he is registered in a jurisdiction with a mandatory Continuing Professional Development program, and she/he is in compliance with those requirements *or* must provide documentary evidence that they have complied with the APEGBC Struct.Eng. Designation Requirements.

For more information about these requirements, please review the Struct.Eng. Application guide on the Struct.Eng. website at:

<http://www.apreg.bc.ca/reg/DesignatedStructuralEngineer.html>.

Please check one:

I am in compliance with the mandatory Continuing Professional Development Program in
_____ *jurisdiction*

OR

I have supplied the required information on the APEGBC Continuing Professional Development Online Recording System.

OR

I have completed the required information below:

Professional Development Hours:

Please indicate the number of Professional Development Hours that you wish to claim in each category, for at least the most recent 12 month period. A minimum of 150 hours over three years must be claimed with activities claimed in three of the five categories annually. Category definitions are outlined in the CPD Guideline.

Please copy this page as many times as necessary to provide a detailed description of your activities.

Description of Activity	Formal Activity (Max. 30/yr)	Informal Activity (Max. 30/yr)	Participation (Max. 20/yr)	Presentations (Max. 20/yr)	Contributions to Knowledge (Max. 30/yr)	Structural Specific? <input checked="" type="checkbox"/>	Total

If you have not completed the required number of professional development hours, please attach a separate sheet explaining the reasons.
