Building progress through innovation every day

To whom it may concern,

It is a requirement for registration with the Association of Professional Engineers and Geoscientists of British Columbia (APEGBC) that transcripts (academic marks) be received directly from an applicant's institute of graduation. We require confirmation of graduation and details about the degree/qualification earned.

Please forward a sealed copy of the required documents in your language or English directly to this Association at the address below.

We thank you in advance for your assistance.
