Sheila Wynn, PhD	Councillor	Victoria, BC

Elected candidates will be formally inducted at the Association's 92nd Annual General Meeting in Kelowna, B.C. on Saturday October 15, 2011. The election process, as prescribed by the *Engineers and Geoscientists Act*, and work of APEGBC's Council allows the professions of engineering and geoscience to enjoy the privilege of self-regulation.

-con't-

Founded in 1920, APEGBC is the regulatory and licensing body for the professions of engineering and geoscience. With over 26,000 members, APEGBC is one of the largest professional associations in BC and maintains high academic, experience and professional practice standards. APEGBC members deliver real world solutions to meet the technological and social challenges of the 21st century.
