NEWS RELEASE

APEGBC Council Appoints New Executive Director

VANCOUVER—The Association of Professional Engineers and Geoscientists of B.C. (APEGBC) is pleased to announce the appointment of Derek Doyle, P.Eng. MBA, CBM, as Executive Director and Registrar.

As chief executive officer reporting to APEGBC Council, Mr. Doyle will be responsible for all aspects of the Association's operations. Mr. Doyle succeeds Anne Garrett, P.Eng., who resigned in October to pursue new opportunities after having served as Executive Director since September 2003.

Mr. Doyle has broad experience in industry, consulting and government. In his public sector career, he has been Assistant Deputy Minister for the Manitoba Ministry of Natural Resources and Director of the Ontario Environmental Assessment Branch. Most recently, Mr. Doyle was Commissioner for the BC Oil and Gas Commission from 2001 to 2006, where he developed a consultation process and negotiated agreements with First Nations.

Mr. Doyle has a Bachelor of Engineering (Mechanical) from University College Dublin, and holds a Certificate of Business Management, as well as an MBA in Public Policy, from the University of Manitoba.

Founded in 1920, APEGBC is the regulatory and licensing body for the professions of engineering and geoscience. With over 23,000 members, APEGBC is one of the larger professional associations in BC and maintains high academic, experience and professional practice standards. APEGBC members deliver real world solutions to meet the technological and social challenges of the 21st century.
