

APEGBC OKANAGAN BRANCH—JULY 2006 EVENTS

Lobster Feast - Friday, July 14

The Okanagan Branch annual Lobster Feast, featuring fresh Atlantic lobster, flown in on the day of the feast, is scheduled for Friday, July 14! Also featured at the dinner will be an on-going slideshow of pictures from previous events.

The event returns to the the Westbank Yacht Club this year, located on Okanagan Lake in Gellatly Bay, which should provide a scenic background for the main event, eating lobster. Dinner options are available. For those who do not like lobster, steak is available, as well as steak and lobster for those who prefer their surf with turf. All dinners include salads and buns, with pricing as follows:

| | |
|----------------|------|
| Lobster Dinner | \$30 |
| Steak Dinner | \$25 |
| Surf 'n' Turf | \$40 |

EIT's and GIT's are encouraged to attend, and as incentive (and also in recognition of financial issues such as student loans) are offered a \$5 discount for their dinners. The branch mentoring coordinator, Carl Zanon, will have a booth at the dinner, featuring materials that should be of interest to EIT's and GIT's.

Registration is online, through the APEGBC web site. The deadline for registration is Monday, July 10 at 5 pm. This is a very firm deadline, as the lobsters have to be ordered. For those who do not want to use the online system, contact Matt Cameron (mccameron@ctqconsultants.ca) for registration. Matt is also looking for a few volunteers to help with set up, cooking the lobster, and clean up, so if you want to lend a hand, send Matt an email.

The dinner last year was a fantastic event, with fabulous food, a beautiful setting, and a good chance to chat with others in the Engineering community outside of work. What could be more fun on a Friday night in July, than enjoying lobster at the Westbank Yacht Club? Of course, spouses are welcome, encouraged even. Also, if any APEGBC members from other branches are visiting the area, they are encouraged to attend.
