The speaker at the first dinner meeting of the year (27th September – see Page 3) will be Michelle Mahovlich of Three Point Properties (www.threepointproperties.com). In March 2005, Three Point Properties completed the purchase of the Bamberton lands located at the north end of Vancouver Island's Malahat drive. Three Point Properties envisions a high-quality, low-density living experience that offers the best in "Island Lifestyle" with an emphasis on integration with the natural environment.

Michelle will provide updated information on the Bamberton project including the possible provision of geothermal energy as well as the possibility of using local hydroelectric facilities to supply the site with green power.
