### **OUR INFRASTRUCTURE: AGING PAST THE GOLDEN YEARS**

9:30 - 10:00: **REGISTRATION & WELCOME** (*Eugene Wat, P.Eng. Vice Chair MED*)

10:00 -10.45: **BRIDGING INTO THE FUTURE**

**Julien Henley P.Eng./Shane Cook P.Eng. - Associated Engineering**

Bridges are the lifeline of our communities. Mr. Henley and Mr. Cook will discuss the aging bridge infrastructure in the region and provide some insights to maximize value of our existing bridges.

10:45 -11:30: **ALIGNING LOCAL INFRASTRUCTURE MANAGEMENT WITH PROVINCIAL OBJECTIVES**

**Glen Brown - Ministry of Community & Rural Development**

Mr. Brown will provide an overview of the state of infrastructure in local communities and an outlook into the future Provincial funding programs. Mr. Brown will also present a framework for municipalities to keep asset renewal in the forefront of financial planning.

11:30 - 12:00: **ANNUAL GENERAL MEETING for MED and MMCD**

12:00 - 1:30: **LUNCHEON**

**Guest Speaker - Hon. Shirley Bond, Minister of Transportation and Infrastructure**

1:30 - 2:30: **BUILDING QUALITY INTO OUR INFRASTRUCTURE - PANEL DISCUSSION**  
(Moderator Neil Nyberg, P.Eng.)

The panel discussion is presented by MMCD and CEBC. Topics include:

- Quality-Based selection of services (professionals, contractors, equipments and supplies)
- Realistic budgeting for projects

Panelists include a representative from Canadian Council of Independent Laboratory, Glenn Martin (CEBC) and John Boyle, P.Eng. (Dayton & Knight)

**Please circulate this notice to staff in your organization, as all are welcomed.  
Please register by Nov 27, 2009.**
