

CAD Technologist/ Structural Drafter

ROV Consulting Inc – Structural Engineers in Kelowna, BC is looking for a qualified CAD technologist to join our team.

ROV Consulting Inc is a busy structural engineering firm responsible for a wide variety of projects including small renovations, multimillion dollar custom homes and commercial buildings. Our office is centrally located in Kelowna BC.

The Ideal Candidate:

- experienced in steel, wood concrete and masonry
- strong working knowledge of AutoCAD
- minimum of 2 years experience required
- construction experience is an asset
- ability to work under pressure & meet deadlines
- able to professionally communicate with clients & co-workers

This position is full time, permanent in office Monday – Friday 8-4:30pm.

Medical & dental benefits will be provided after successfully completing a 3 month probationary period.

Starting salary negotiable.

Please forward cover letter & resume to jennifer@rovconsulting.ca

Only successful applicants will be contacted for interview.
