

Job Offer

Title: Operations Manager

Company Profile

A Canadian leader in renewable energy, Innergex develops, owns and manages sites in North America, namely run-of-river hydroelectric plants, wind energy projects and solar projects. The company has more than 115 employees and holds a portfolio of assets valued at nearly two billion dollars. The corporate culture promotes teamwork, while respecting each employee's individual competencies and aspirations. The company maintains an office in Vancouver and head office is located near Montreal.

Role and Responsibilities

The position of *Operations Manager* is based in our Vancouver Office with attendance at the plants required to varying degrees. Working within a small team, the Operations Manager will be responsible for:

- Manage the operation and the maintenance of 7 Run of the river Hydro facilities.
- Manage a team of approximately 16-20 people (Plant Managers and Assistant Operators)
- Manage external consultants and assist operators with external suppliers
- Coordinate maintenance schedule and budget.
- Manage different projects and capital improvements
- Manage Regulatory Agencies Standards Compliance.

The candidate should possess all the required authorizations to travel, be available and flexible to travel in Canada and in the United States (occasionally).

Profile

- Highly organised individual with good communication skills (written and oral).
- Strong leadership skills and ability for teamwork.
- Able to manage priorities and adapt quickly to change.
- Must be comfortable in an office and in the field environment.
- Practical nature.

Training and experience

- Related training in one of the following relevant fields: Electrical, Mechanical or Civil.
- 10 years of project management experience.
- Good understanding of civil structures, mechanical and electrical equipment.
- Comprehensive understanding of Hydro facilities, an asset.

Kindly forward your *curriculum vitae* by e-mail to hr@innergex.com. Please note that only candidates selected for an interview will be contacted.
