

A TETRA TECH COMPANY

Position Title:	Sustainability and Greenhouse Gas Specialist	Location:	Calgary
Date Posted:	December 22, 2011	MaxHire Number:	61
Deadline:	Until Filled	Apply Online:	www.eba.ca

Job Description:

EBA, A Tetra Tech Company (EBA) is able to provide an exciting opportunity for a team leader in our growing Sustainability group. The successful candidate will be a full-time Greenhouse Gas (GHG) specialist and leader based in our Calgary office with broader geographical responsibilities. This position offers the opportunity to be part of EBA's Environmental Practice and work with a large group of experienced engineers, scientists, and technologists. The successful candidate will work on a variety of GHG projects and will be expected to develop business opportunities.

The successful candidate will have or be close to attaining EP (GHG) status in Greenhouse Gas accounting, credits and verification. You are able to demonstrate a keen interest in GHG and energy management and have 5-10 years of industry experience, including the consulting industry.

Qualifications:

The candidate must also possess the following attributes/ characteristics:

- Results-oriented, including ability to generate action and support from others
- Strong organizational, analytical, problem solving and communication skills, including assertive ability to lead, present and influence change and build consensus among different levels of management as well as executive team skills, negotiation and mediation skills
- Attention to detail and strong written skills
- Demonstrated ability to work well in a fast-paced environment under time constraints while handling multiple tasks simultaneously
- Commitment to quality and continuous improvement

Additional Information:

Resumes received in response to this ad will only be considered for the position posted and must meet the required Qualifications, Experience, and Educational components. Only those individuals currently in Canada and eligible to work will be considered.

We offer a competitive salary with a comprehensive benefits package, and excellent opportunities for growth and advancement. Salary will commensurate with experience.

We thank all those that apply, however, only those selected for an interview will be contacted. To apply for this position and for more information please visit <http://www.eba.ca/careers>.
