

A TETRA TECH COMPANY

Position Title: Intermediate Civil Engineer
Date Posted: January 12, 2012
Deadline: until filled

Location: Vancouver, BC
MaxHire Number: 327
Apply online: www.eba.ca

Job Description:

EBA, A Tetra Tech Company (EBA) has an immediate requirement for Intermediate Engineering Staff within our Vancouver Office. The successful candidates will join our Ports & Harbours group and will work with a small team of engineers and technologists, supported by our coastal engineering, geotechnical and environmental specialists, to provide services related to design, construction and commissioning of marine and industrial facilities and infrastructure.

Duties are discipline specific but may include: inspections and condition assessments, preparation of functional, preliminary and detailed designs, preparation of construction documents and monitoring of field construction on port and waterfront engineering projects. The positions provide opportunities to work on projects located in BC, the northwestern US and the Canadian north.

Depending on qualifications and experience, the successful candidates will work as part of a team or as a Project Manager, leading a small team to carry out and deliver the project.

Qualifications:

- Civil engineer with a minimum of 5 years of experience in structural analysis and design. Previous work experience in coastal structure design, including shoreline protection, flood protection works, breakwaters and other similar infrastructure will be an asset.
- Willing to occasionally travel to projects across Western and Northern Canada.
- Bachelors or Master's degree in Civil Engineering from a recognized university. Post graduate courses or training seminars, or a Master degree would be an asset.
- Licensed or eligible for registration with APEGBC
- Legally entitled to work in Canada
- Possess a valid driver's license

Additional Information:

Resumes received in response to this ad will only be considered for the position posted and must meet the required Qualifications, Experience, and Educational components. Only those individuals eligible to work legally in Canada will be considered.

We offer a competitive salary with a comprehensive benefits package, and excellent opportunities for growth and advancement. Salary will commensurate with experience.

We thank all those that apply, however, only those selected for an interview will be contacted. To apply for this position and for more information please visit <http://www.eba.ca/> .
