

Gibraltar Mine: A Rock-Solid Foundation for Career Growth

At Taseko Mines, we're proud to call British Columbia our home. We are looking for enthusiastic employees who share our vision for long-term, responsible growth in this province.

Joining our Gibraltar Mine team makes you part of Canada's proud mining heritage. The Gibraltar copper-molybdenum mine is a cornerstone of the regional economy and an example of great Canadian mining in action. Located in the heart of BC's stunning Cariboo region, Gibraltar is approximately 60 km north of Williams Lake. It is the second largest open pit copper mine in Canada.

A sustainable mining operation with a 27 year mine life, Gibraltar is undergoing a significant multi-phase expansion taking our daily milling throughput to 85,000 tons per day and we're looking for talented candidates to help us facilitate this. That's where you come in...

We currently have a full time opportunity for a:

LONG RANGE PLANNING ENGINEER

Position Summary:

Reporting to the Senior Mine Engineer, the Long Range Planning Engineer is responsible for mine planning and for participating in the integration of mine plans into mining operations. This is accomplished by managing the Mine EIT and Technicians so that they function as a cohesive, coordinated, goal-directed unit.

Specific Duties and Responsibilities include but are not limited to:

- Coordinates the development of long range mine plans including 43-101, Life of Mine, 5 year and Annual mine plan and budget
- Coordinates economic studies of mining methods and equipment purchases, Wenco system maintenance and development
- Regularly analyses engineering section's operating costs and identifies cost reduction opportunities
- Generates monthly, quarterly and annual reports on engineering section's performance
- Recommends staffing requirements and participates in the hiring process

Qualifications

- Degree in mining engineering with a minimum of four years experience in open pit mine engineering
- Registered professional engineer
- Strong supervisory and team building skills
- Accomplished written, verbal and group presentation skills
- Strong computer skills with sound knowledge of Microsoft office

Compensation:

Gibraltar offers an excellent benefit package which includes competitive salary and a Registered Retirement Savings Plan and relocation assistance to Williams Lake.

Qualified applicants, eligible to work in Canada, are invited to explore this opportunity by submitting a cover letter and detailed resume outlining your qualifications and experience, in confidence, by email to: recruit@gibraltarmine.com.

Visit us at www.tasekomines.com to learn more about our New Prosperity, Aley and Harmony projects.

We thank all candidates who express interest; however only those selected for an interview will be contacted. Your application to this posting is deemed to be consent to the collection, use and necessary disclosure of personal information for the purposes of recruitment. Gibraltar Mines respects the privacy of all applicants and the confidentiality of personal information and we will retain this information for a period of six months.
