

GENIVAR is one of the largest firms in Canada providing private and public sector clients with a full range of professional consulting services in the areas of engineering, planning, surveying, project management and environment through all project phases, ranging from planning to commissioning. We now have over 4,800 employees working in more than 80 locations in Canada and overseas. Our clients operate in various market segments such as buildings, municipal infrastructure, transportation, industrial and energy as well as environment.

GENIVAR is currently seeking to add a **Senior Engineer** to grow a team of highly skilled engineering professionals in our **Saint John and Fredericton, New Brunswick Offices**.

As a Project Engineer or Project Manager, you will report to the Vice-President and will provide engineering services for internal and external clients. Engaging at a senior level, you will contribute input for the development of the firm's and Branch's strategic direction and planning processes, with a view to expanding and strengthening the Saint John office's engineering capability and growth.

As our ideal candidate, you will be a registered Professional Engineer with a B.Sc. in Civil Engineering from a university recognized by the APEGNB, with a minimum of 10 years experience. You are able to motivate, coach, and mentor employees' success towards achievement of GENIVAR's established goals. You are interested in business development with new and existing clients. You show professionalism in everything you do and know how to achieve results.

Your total compensation package will include:

- A salary range based on experience between: **\$ 89,000 to 107,000** per annum
- A flexible benefits package that fits your needs, including Health, Dental, Flex Account, STD, LTD and Life Insurance
- Contribute to your RRSP with a company matching program
- The ability to be a part of the GENIVAR stock purchase program
- Vacation based on your years of experience

If you are interested in growing with our company, please forward your resume and cover letter quoting competition **#SJSE0112** to:
